

Bottoms up mobile bars

Information sheet

- *Our services:*

We provide full mobile bar services including staff and equipment for free. We simply make our money on reasonably priced drinks. We carry a wide range of stock, typically what you would find in your local bar/pub including draught lager, bitter, cider, a variety of wines and a broad range of spirits etc.

You are more than welcome to place a float behind the bar to fully fund or partially fund your guests drink. However we do ask that if you are thinking of suppling your own table wine etc that you let us know how many bottles there will be. Because we offer great value in terms of a free set-up and low drinks prices we do charge a £4.00 corkage fee per 75cl bottle of table wine. Please also bear in mind that we can source your table wine for you too.

- *Glassware:*

We typically serve into plastic containers which are included as part of the service, however if you would prefer glassware, we are happy to arrange the hire of the glasses for 20p approx per glass. Alternatively if the caterers supply the glassware we will happily serve into those.

- *Licensing:*

We can apply for your temporary events notice for you for £25.00 or you are welcome to source it yourself from your local council, they will charge £21.00. The council require 10 working days to process the application.

- *Booking:*

To make a booking we do ask for a £100 deposit which is fully refundable on the night.

If you would like to go ahead, please confirm via e-mail with:
